NEW LAUNCH

Verify FA

Fixed Asset Verification Mobile App

VerifyFA – a unique Fixed Asset Verification App has been developed for easy and *effective verification process* that aims to *eliminate* long hours of paper-based Fixed Asset verification and subsequent reconciliation

- Android Mobile App
- Dashboard Reporting
- One Subscription advantage
- Meets Audit & CARO requirement

- Edit Asset Details as Verification happens
- Verification Options Through Dynamic Controls
- Eco-friendly process
- Reduces Expense & Resource Time by 70%

Additional

Value Add Services

- Preparation of Fixed Asset Register
- Verification of Fixed Assets
- Printing and Affixing of Asset Tags

How does VerifyFA work?
